## **What Is The Need and Opportunity for Standard+ Grade Molded Wood Seats?**

- Consumer and contractor demand is still in high with a strong preference for molded wood toilet seats in North America.
- In the last 15-20 years the average consumer's ideal price point for a good quality seat has increased from \$15-20 to \$30-60.
- Segments of pros and consumers have preferences for low cost combined with simplicity and fast, easy installation.
- One goal is to provide Plumbing Wholesalers with an exclusive, competitive residential seat, that is not available at retail.
- The other goal is to provide Plumbing Wholesalers with a quality molded wood seat, with features that consumers and contractors demand, at a competitive advantage.
