PLUMBTECH™

Model 431C Elongated

Model 431SSC Elongated

What Is The Need and Opportunity for Extra Heavy Duty Commercial Plastic Seats?

- The demand for commercially oriented toilet seats is growing at a double digit annual rate.
- Commercial seats are specified for many applications creating built in, self-perpetuating demand.
- There is a continual emphasis on improving sanitation conditions at hospitality, public space, hospital and other spaces.
- Due to the demand for extra durable and secure applications, there is a critical need for commercial seats that meet a higher standard.
- Wholesalers are in need of competitive advantages, via special features and pricing, to grow their market share of the commercial seat market.
- The goal is to provide Plumbing Wholesalers with an extra heavy duty commercial seats, that meet the expected requirements, and then go beyond with features that differentiate their offering.
